H. B. Co. Official predicts town square concept for St. Albert's Perron Street

The few St. Albert and District Chamber of Commerce members who attended the dinner meeting Tuesday evening thoroughly enjoyed the talk given by John Cunningham, operations manager of the Hudson's Bay Co., Edmonton.

President of the Chamber of Commerce, Gerry Belke had invited Mr. Cunningham to talk on the general thinking today of larger retail outlets in relation to expanding away from metropolitan areas into suburban shopping centres. In part, the Chamber's invitation read, "The oldest town in Alberta would like to hear from the oldest company in Alberta." Mr. Cunningham appreciated the theme of the topic and was quick to accept.

Mr. Cunningham spent the first several minutes of his talk reviewing the related

history of St. Albert and The Hudson's Bay Co. He turned the time clock back about 200 years when one of the first Hudson's Bay Co. traders came to that remote part of Rupert's Land now called St. Albert and surveyed the area with an eye toward establishing a trading post. He then proceeded to bring his audience forward into the present, all the while citing historical events which clearly shows the close parallel in history of his company and this town.

"Today," Mr. Cunningham said, "the trend of the larger retail stores is not entirely towards the shopping complex but more towards the smaller individual outlet." He qualified this statement by saying that this trend is not evident yet because giant shopping centres like Southgate

are still being put together. "However," he said, "according to information available to me, the trend of the future will be toward the town square concept, complete with cobbled streets, gas lights and period buildings."

Mr. Cunningham asked his audience, "do you like the looks of a shopping centre . . . is that what you really want?"

He then came back to the town square concept and drew a mental picture for his listeners by reminding them that St. Albert has the history and the locale for just such a town square development. He mentioned Perron Street as "a natural for such a shopping square and that's where I see the giants of the retail trade clammering for space."

Dart tournament focuses attention on St. Albert

The Dart Tournament being staged in St. Albert Saturday by the local branch of the Royal Canadian Legion is shaping up as a pretty big attraction as dart tournaments go. In fact it will be the second or third biggest, prizes wise of dart competitions in Western Canada, with 24 cups and cash prizes totalling \$1,000.

Winnipeg presently holds the honors for the West with \$3,000 in cash and the big-

gest dart tournament on the continent is held annually in Los Angeles where prize money total about \$6,000.

If Alan Thompson's plans go forward as he thinks they will, the St. Albert dart tournament will become an outstanding annual event, drawing visitors from all the western provinces and beyond, and putting St. Albert in the limelight.

The event will be opened at 9 o'clock Saturday morn-

ing, when Mayor Gibbon will throw the first dart, followed by a breakfast hosted by the local Legion. Play will go forward throughout the day, with the Singles event being run first in double-knock-out play, followed by a round robin doubles competition.

Mr. Thompson is expecting over 100 dart players, and entries will be taken right through till Friday evening at \$10 per entry.

Dart enthusiasts from Prince George and Medley in the Cold Lake area of Northern Alberta will be here and it is expected Victoria and Medicine Hat will also be represented.

Jack Irving, singles champion of the Edmonton City Dart League, and Len Worrell, president of the league will both be on hand and the tournament will show some expert dart throwing throughout the day.

Finals will get underway in the early evening, perhaps by 5 p.m. and Deputy Mayor Rene Kambouff will be on hand about 9 p.m. to present the trophies and prizes to the winners.

Thirty dart boards will be set up in the hall after Friday nights closing about 1 a.m. which will take a little doing by Alan and his committee who will then be on duty early the next morning teasing up the breakfast for their visitors. Play will get underway at 9 a.m. sharp.

To conclude the event the Caribbean Ambassadors, a top notch seven-piece steel and combo band will be on hand for the dance Saturday evening, and the ladies of the Auxiliary will serve a late supper. The West Indians who make up the band will provide an extraspecial treat for dancers which should make for a fine evening's entertainment.

Council hires Bowen as Sec. - Treas.

Russell B. Bowen was hired this week as secretary-treasurer of the Town of St. Albert. He fills the post left vacant by Dan O'Connell who was appointed chief administrator of the town in a recent administrative staff shuffle.

Mr. Bowen comes to his new position from Grande Prairie where he was secretary-treasurer of County No. 1 until 1965 when he became city clerk and office manager of Grande Prairie. This position he held until December of last year.

Mr. and Mrs. Bowen are the proud parents of a family of six children, two daughters, Betty and Patricia and four sons, P.J., Herb, Russell Jr., and Stewart.

Mr. Bowen attended his first council committee meeting Monday night at which time he met the five sitting councillors. His appointment was ratified by council through a special

RUSSELL B. BOWEN

by-law giving the mayor and chief administrator authority to fill the vacancy. Mr. Bowen failed to meet Councillor Rene Kambouff Monday who was away on a holiday-business trip.

The Bowen couple plan to move to St. Albert from Edmonton soon as business matters can be settled.

Three special events mark Hospital Day

The Sturgeon General Hospital has scheduled a series of special events within the next few weeks to celebrate Canada Hospital Day which is being observed on Friday, May 12. According to Mr. Clifford F. Keyes, administrator, the hospital will hold a Career

Day for high school students on Wednesday, May 10, a luncheon meeting for the Clergy on Friday, May 12, and a public open house for all residents of the hospital district on Sunday, June 11th.

"By these activities we hope to focus public attention on the hospital as a community institution," he said. "This is in keeping with this year's theme - This is the house that the citizens built."

Canada Hospital Day, which will be observed by more than 1,415 hospitals across the country, has been officially proclaimed by John Munro, minister of national health and welfare, and coincides with the birthday of Florence Nightingale, pioneer of hospital health care. It is sponsored by the Canadian Hospital Association and supported by provincial hospital associations.

Sturgeon General Hospital's staff will concentrate their effort on activities designed to give citizens a better insight into hospital operation.

Mr. Keyes said students from the high schools in St. Albert, Morinville and Legal have been invited to spend the afternoon on May 10 in the hospital to discuss career possibilities with members of the hospital staff. The students will be given an insight into the job content of such hospital activities as nursing, medical records, laboratory, x-ray physiotherapy, dietary and

pharmacy. In addition, hospital representatives will furnish details of educational training requirements and possibilities for employment in each of these fields.

At the luncheon meeting of May 12, ministers and priests of the hospital district will be briefed as to recent developments within the hospital as well as a glimpse of the future plans.

Planning is well under way for the public open house to be held on June 11. At that time a tour of the building and several interesting demonstrations of hospital services will be provided. It is hoped that there will be a large turnout of residents from all sections of the hospital district for a first hand look at the hospital that is truly their hospital.

"We hope people will take advantage of these opportunities to come and see what we do here," Mr. Keyes said. "We also hope to have as many of our staff on hand as possible to answer questions. Hopefully, we can establish some dialogue. We think that's good for us as well as for the public." Hospitals, Mr. Keyes explained, should be seen as true community institutions. He emphasized that the need for a hospital arises as a typical community need and that in most cases the community raises the money to

Blood Donors needed Monday

Monday, May 15, the Red Cross Blood Donor Clinic will be held at the community hall from 5 - 9 p.m. Donors from age 18 and up are urgently needed and the Kinettes, who sponsor the clinic, hope that St. Albert residents will turn out in good numbers this year, the 25th anniversary of the life saving transfusion service made possible by the Red Cross.

At left is St. Albert and District Chamber of Commerce President Gerry Belke seen chatting with John Cunningham, operations manager of the Hudson's Bay Co., following Tuesday evening's dinner meeting. Accompanying Mr. Cunningham was Peter Furman, customer service manager for Hudson Bay Co. in Edmonton.

A great way to keep fit, meet new people and enjoy an evening out is to get involved with the Saints and Sinners Square Dance Club. Here a square go through their paces at Sir Alexander Mackenzie school gym Saturday evening.

Daffodil Drive Nets \$222.66

There were only 15 volunteers out receiving con-

tributions for Cancer Research April 15 but despite the small number of workers, residents made the difference in generosity and so, Daffodil Day in St. Albert netted the grand sum of \$222.66.

Mrs. Corinne Odings who spearheaded the campaign had two Cancer Research Fund centres located at both Johnson's Meat Market on Perron Street and Safeway on The Mall. From these two locations, Mrs. Odings's 14 volunteers offered their bright yellow daffodils to all comers in exchange for donations for the Cancer Fund. The drive started April 15 at 9 a.m., and continued until

5 p.m., at which time the grand total of \$222.66 was collected.

Mrs. Odings, her volunteer workers and the generous people of St. Albert and surrounding area deserve heartfelt congratulations for a job well done.

build a hospital. Once it is there, it needs the community to keep it going. Local people serve on the board of trustees or act as volunteers. Many of the staff are also local citizens. All of this, said Mr. Keyes, serves patients who are also mostly

from the community itself.

"Hospitals are not only for restoring, but also for maintaining health," Mr. Keyes said. "A high standard of health care is of vital importance to any community. But we like to feel we have the people behind us.

May 12 is the anniversary of the birth of Florence Nightingale in 1820. She became known as "The Lady of the Lamp" and pioneered the concepts of hygiene and sanitation that although accepted today, represented significant advances in health standards during the second half of the 19th century. She became famous for the establishment of a military hospital during the Crimean War of 1854 and the founding in 1860 of the Nightingale School and Home for training nurses at St. Thomas's Hospital, London, England.

The Pitch and Spice production of Jesus Christ Superstar was warmly received in Grande Prairie over the weekend, and the people there expressed amazement at the quality of the performance by the young singers and musicians.

On Sunday the junior choir (spice) performed a folk mass, and the worshippers broke into spontaneous applause, a most unusual occurrence during a mass, which indicated the kind of impression they made in the northern city, and took Father Duchesneau completely by surprise. He commented however, that the junior group was so good "you wouldn't believe it." The experience of several performances of Superstar has done a great deal for them, as for the entire cast. The group got back Mon-

day night and will have a rehearsal this week before their performance at the Cathedral on Saturday night p.m.

Local Lady Lions plan luncheon show for big Convention

Excitement is mounting as the date of the Lions' Convention in Edmonton draws closer. The conven-

tion commences Thursday June 1st, at the Chateau Lacombe and the Macdonald Hotel.

Louis Bourgeois marries in St. Albert

Father Jacques Joly conducted the wedding service for Louise Bourgeois and Wayne Loughheed in the St. Albert Roman Catholic Church at 4:30 Saturday afternoon, May 6. Louise is the daughter of Mr. and Mrs. Bernard Bourgeois of 32 Grosvenor Blvd., St. Albert, and Wayne is the son of Mr. and Mrs. Norman Loughheed of Victoria, B.C.

Sister Cecile Bourgeois of the Holy Cross Order in Edmonton, an aunt of the bride, sang three solos during the service and Mrs. Bertha Kennedy was organist.

The bride was lovely in a floor-length gown, featuring a full skirt of cotton lace with dainty nylon bodice extending from the empire waistline and styled with mandarin collar and long very full sleeves. The gown was most attractively complemented by her big floppy white hat and she carried a cascade of red roses.

Attending the bride were Denise Cormier, maid of honor, Elaine McRae, Collette Bourgeois, her sister,

Flower girl was Rene Prunkl. The bridesmaids wore long gowns fashioned of white nylon inset with red flowers. Their large white hats were in matching white with red trim, and each carried one beautiful large red rose.

Following the ceremony a reception and dance for 300 guests was held in the Scandinavian Centre. To receive her guests the mother of the bride was charming in a silk frock of baby blue shade, worn with white accessories and pink roses en corsage. The mother of the groom chose a dress of flowered chiffon with matching accessories and a corsage of pink roses.

Mr. Bill Prunkl, a friend of the groom's family, acted as master of ceremonies and Vincent Almond of St. Albert proposed a toast to the bride. Following a honeymoon trip to Victoria, the young couple will make their home in Edmonton, where Wayne, who has his B.A. degree, is continuing his education in the faculty of education at the University of Alberta.

St. Albert Lady Lions are busily preparing for their special contribution, which will involve every member of the club. The theme of the convention will be Klondike, so, in this vein, the Lady Lions are to present a fashion show, modelling an array of spectacular Klondike style outfits, which will be supplied by the I & M Personalized Shoppe, of Edmonton.

The show will take place in conjunction with the ladies luncheon, open to all wives of Lions, at the Royal Glenora Club, at 12:30 a.m. on Friday, June 2. Tickets of admittance will be \$4 and up, and 400 ladies are expected to attend.

There will be a tote gift bag for each person, plus a silver souvenir charm, and many attractive door prizes, including a lovely Klondike hat, created and donated by Mrs. Sadie Ross. Commentators for the fashion show are Mrs. Dorothy Harrison and Mrs. Dottie Kimball. Chairman of the convention committee is Mrs. Pamela Mykityshyn.

Students will hold chocolate drive on Friday

Twenty-four Grade 11 students from St. Albert High and Paul Kane High will be holding a chocolate drive this Friday, May 12 to help finance their trip to Newfoundland in July.

These 24 students are involved in a two way Exchange program with 24 Gilliams Bay, Newfoundland students. The St. Albert students will be flying to Newfoundland July 3 and return with their guests July 19. The Newfoundland students will return home on July 27.

The total budget for this Exchange is approximately \$7,200. The federal government has given the Exchange program a grant of \$4,810. The students hope to make \$800 towards this deficit through this chocolate drive.

Mrs. Bunny Ferguson, president of Welcome Wagon Newcomers Club, presents a cheque for \$500 to Mr. Clifford Keyes, administrator of Sturgeon General Hospital, at the club's dinner meeting last Wednesday at the Purple Dude. The funds will provide a very well equipped emergency cart for the hospital. The cart will have instruments and drugs instantly available in the emergency room for on the spot treatment of emergency cases.

Garden books galore available at Library

In the non-fiction section, downstairs at St. Albert Library, do-it-yourself gardeners can find books on ground covers, gardening on the prairies, landscaping, how to build a patio, fascinating picture books on specialized gardens around the world, rock gardening, and just about any sort of help needed. Brian Andrews book, a very useful aid for gardeners in the Edmonton area is also on hand.

Bus service criticized

The Editor:

We, the Grade 8-3 Class of Sir Alexander Mackenzie School, request that action be taken to improve the St. Albert-to-Edmonton bus service.

The following inadequacies were identified during our class discussion and survey:

- 1) The fare, 40¢ for adults and students over 12 years of age, is too high for the short distance for which service is provided.
- 2) The bus is uncomfortable and seats are in need of repair.
- 3) Students who pay the same fare as adults should be accorded the same privileges. During rush periods, students are forced to wait until adults have been accommodated.
- 4) Service is not regular enough and the buses seldom are on time.
- 5) The bus has poor air conditioning. This is not conducive to good health.
- 6) Bus shelters and appropriate signs to indicate stops should be provided, for both health and safety reasons.
- 7) Routes should be altered to accommodate all areas.

Bus routes do not adequately serve the New Braeside and Forest Lawn areas.

A recent house-to-house survey of residents conducted by students of our class, indicated that residents are generally dissatisfied with the bus service and identified similar inadequacies to those listed on the previous page.

We feel that transportation today is a necessity rather than a luxury. It is in the public interest to provide reasonably adequate bus services for residents, particularly for the aged who do not drive, for the young who cannot drive, and for all the other people who rely on public rather than private transportation.

If St. Albert is to continue to thrive as a beautiful and attractive town independent of the city of Edmonton, its residents must be provided with the same amenities.

Shelley Bosetti, Secty.,
Class 8-3,
Sir Alexander Mackenzie
School.

John Westra, manager of the Scotia Bank in Grandin Shoppers' Park, congratulates Debora Booker of Gladstone Crescent as he presents her with a beautiful pair of figure skates. Debora is enrolled in the bank's across Canada Hockey College savings program, and was fortunate enough to have her name drawn for one of the prizes offered each year to young people involved. The hockey college plan encourages children and young people up to 18 years to start a savings plan early. This is the first time the St. Albert branch ever had a winner.

SAM kids working for 3-day project - outdoor education

The Grade six students of Sir Alexander Mackenzie school have been working since the Christmas holidays to raise \$300-\$400 for an Outdoor Education trip to Pioneer Lodge on May 29, 30, 31. They have published and sold editions of a school paper, held raffles, sold hot dogs and candy at lunch time at the school and now are going to be working very hard on two final projects to push them over the top.

They will be on hand at the school on Saturday afternoon to wash cars for local residents at a nominal fee, and on Monday after school they are conducting a bottle drive. So local residents who like to help these energetic youngsters can do that, get a clean car and rid themselves of empties all at the

same time. May 13 for the car wash. May 15 for the bottles!

Over the three days at Pioneer Lodge, near Sundre Alberta on Crimston Lake, the students will receive instruction in swimming, riding, hiking, mountain climbing and survival techniques. A biologist from the University of Alberta is conducting the hiking and survival courses.

The 60 students will be accompanied by three grade six teachers: Betty Onken, Ted Rogers and Rick Lof, plus Gail McIntyre, Mrs. Lof Larry Dick and Adeline Scholter, a former teacher.

Total cost of the project for fees, transportation and one meal not included in the fee is \$1,036. Parents are paying \$600.00 the school board has been asked for

\$100 and the kids themselves are working for the balance.

AROUND TOWN

Mel Knutson is getting to be something of a fixture at Stedelbauer Chev-Olds, where he has been employed for two years, and more recently has been working in the warranty section of the office.

The Catholic Women's League will recommend to the federal and provincial governments that persons wishing to practise family counselling must hold a suitable degree, (i.e. social work, psychology, theology) and in addition have successfully completed a two year internship under the supervision and direction of a qualified family counsellor. The resolution adds "And further that candidates having obtained the above standards be accredited by the government, in a manner similar to the medical profession."

A brief supporting the recommendation points out that indications are that more and more individuals and families will be seeking professional help. However, it states, the situation in Alberta is such that persons seeking assistance are not getting professional help. Lay counsellors and social workers, it says, are actively engaged in counselling throughout the province, and indeed any person can claim to provide the service, and charge fees as they see fit.

The brief takes the position that persons seeking such services should be safe in the knowledge that a family counsellor is a fully qualified and accredited professional, with his services and fees regulated by

legislation.

A second resolution by the CWL is for a petition to the federal government that all fees paid for counselling by an accredited counsellor, be included as a personal income tax deduction. The brief support-

ing this recommendation points out that counselling done by a psychiatrist is covered under the federal medicare plan, however fees paid a counsellor for the same thing are not even considered a legitimate income tax deduction.

Willowbrook Saints open Wednesday

St. Albert Willowbrook Saints will open the 1972 Sunburst Baseball League play at home Wednesday, May 17 against the Edmon-

ton City Police squad. City Police and Camrose are the league's new entries. Last years teams Leduc Oilers, Burns Shamrocks, Ed-

monton Cardinals and Wellier William Colts, who won the championship.

The Sunburst League is rated #2 in the province behind the Alberta Major

LARRY MURRAY

League.

The Saints will once again be sponsored by Rudy Scheibhofer, well-known St. Albert sportsman and president of Willowbrook Homes. Rudy will also hold the managers job while Rene "Max" Pouliot will handle the equipment duties.

One of last year's most versatile players, Larry Murray will take over the coaching duties from Ed Howorko who has been transferred to B.C.

Most of last year's players will be returning with the exception of hard-hitting Herb Sewers (back injury), Rick Pugliese (at Morinville) and Fred Resler who has traded his knuckle-ball for a fishing pole.

The infield will have Chester (Old Crook) Cunningham at third with Larry Wolbeck or Henry Hodgson at short. Wayne Biggs and Larry Mitchell at second and Arnold Bailey at first. Rich Perrault and Don Hodgson will handle the backstop duties. Everybody's favorite, Louis Martineau will hold down one of the outfield spots with Hank Reinbold and some of the infielders switching for the other two outfield positions.

Glen Winder and Wayne Biggs will look after the mound duties with several other players able to pitch if needed.

Coach Murray can play a number of spots and will when needed.

Saints will play an 18 game schedule with an equal number of home and away games. Games will be played Tuesday, Wednesday and Thursdays with the week-ends open for tournaments.

"Toklat" the grizzly's advance bear was seen on Perron street Tuesday afternoon, along with Gail Sund, generating some excitement about the noted family wilderness story starting tonight at St. Albert Drive-In and Jasper Cinema. "Toklat" traces the story of a grizzly cub to full growth, and is billed as a "stirring saga of a grizzly monarch's conflict with man." Barry Straghan as the bear, will also be seen on Popcorn Playhouse Friday and for those people who enjoy a good family movie "Toklat" is highly recommended. The show starts at dusk at the Drive-In, and gates open at 8 p.m.

Play gets underway Sunday in N.C. league

League play starts this Sunday in the seven-team North Central Alberta Baseball League. Six of the teams will see action with Legal at Bon Accord, Redwater in Vimy and Gibbons in Morinville. The other team is Namao.

Alexander Braves and Horsehills dropped out of the league while Gibbons is the only new entry.

Morinville Manufacturers won the southern division last year but lost out in the final game to Linaria Flyers of the northern division.

All teams will play an 18 game schedule with the final games slated for the August 3rd weekend. League finals will start the second week in August with the southern and northern champions playing at the home of the southern winner.

Games will be played each Tuesday, Wednesday and Thursday. Weekends are left open to allow teams to participate in their annual sports day tournaments, and many others they wish to enter.

Paul Rlopel was again re-elected league secretary and coaches of the winning teams are asked to send in game sheets as soon as possible after each game, in order

that reports of games can be carried in the paper.

Schedule for Wed. May 17:
Morinville at Bon Accord
Gibbons at Namao
Vimy at Legal

Fastball League Opens Monday

The Sturgeon Men's Fastball League opens play for the 1972 season Monday, May 15 with six of seven teams seeing action. Calahoo Chiefs have the bye and won't play their opening game until Wednesday when Villeneuve comes to town.

Last year's champions, Spruce Grove Panthers, will be in Villeneuve, Stony Plain Playboys travel to Spruce

Grove for a game against the Eagles, and the two St. Albert teams, Grandin Esso and CJD Implements will play at the St. Albert High diamond behind the school.

Each team will play an 18-game schedule with the season ending in mid-July.

Hercules Soccer sets up points system Around Town

As a result of numerous late registrations each team now has a full roster of players so it has been reluctantly decided not to accept any more registrations.

The present schedule consisting of 18 games will run until the end of June.

During July and August it may be possible that any shortages of team players due to vacations may be offset by allowing those who were unable to register a chance to play an occasional game. The summer schedule will involve one game a week.

Points for local league games are awarded on the basis of two for a win, one each for a tie and none for a loss.

In addition bonus points awarded to the winning team based on the number of goals difference in the final score. A tie or one goal difference receives no points, but two goal difference earns one point, three goals difference earns two points and

four or more goals difference earns the maximum of three bonus points.

Therefore a team winning by a score of 6 - 2 receives two points for the win plus three points for the four goal difference to earn a maximum total of five points for the game.

This points system will be used to try and equalize team strengths, if required, up to the completion of the fifth game. Any adjustments should be arranged between the league managers and

coaches.

After the fifth game the bonus points should help in reducing the chance of ties in determining league standings.

Judging by the game results for the Mite and Atom leagues goals are hard to come by. In the Atom league only two goals have resulted from four games while the Mites have scored five goals in a total of four games.

The representative teams playing in the EMYSA league appear to have made a good

start to the season as they have won five of seven games played to date.

Shopping for Credit easier said than done

People are being advised to "shop for credit" without being told how to, and the phrase is in danger of becoming just another empty slogan. Besides, many may be content to think that it means "shop for the lowest rate of interest," the way one might shop for bargains. But price is not always a sure sign of a bargain in anything, and it is even less reliable where consumer credit is involved.

Shopping for credit is easier to say than do.

Of course, one needs to look at price, but not so intently as to neglect the other aspects of the credit contract, the most important one of which is the security that is pledged by the consumer to back up his promise to repay the debt.

In case the consumer defaults in his payments, the goods may be repossessed, the mortgage may be foreclosed, the chattel may be seized, or a person's reputation may be ruined. When that happens -- and it sometimes does -- the advantage of the low credit

rate is lost many times over. And naturally, the loss is greater, the greater value of the security pledged.

Security takes many forms in credit contracts. In a first mortgage, the land and buildings are pledged. In a second mortgage, all that is left over after the first mortgage is paid is pledged. In a chattel mortgage, the furniture and equipment in a home is pledged. With a wage assignment, you permit the payments to be deducted from your wages before you get them -- in other words, you pledge your paycheck. In a conditional sale contract, the goods being purchased are pledged -- you don't really own the goods until they are fully paid for.

But the most valuable asset some people have is the reputation they have earned for honourable dealings in their community. When that is lost... when their credit-rating is marred and they are no longer able to get credit... they can suffer tremendously.

It is not an accident that,

as a general rule, the greater the value of the assets pledged the less the credit rate. Risk is involved in every credit transaction and it must be carried by someone -- either the credit grantor or the consumer. If the value of the pledged assets is high, the consumer carries the majority of the risk and the credit rate can be low; if the value of the pledged assets is low, the credit grantor carries the bulk of the risk and is compensated for this by a higher credit rate. This central point of credit shopping is emphasized in the information program of the Canadian Consumer Loan Association and the Federated Council of Sales Finance Companies as described in the 1972 edition of the Canadian Consumer Credit Factbook.

Therefore, if you "shop for credit" by shopping for the lowest price only, you will probably end up pledging top-value security. Then if things do not work out during the term of the contract as you expected they would when you signed it,

Breakfast Lions Bike-a-thon Raises Over \$2,500

The annual Bike-a-thon, sponsored by the St. Albert Lions Breakfast Club has just terminated after two Saturday run-offs and so far as can be estimated, the 150-plus pledges will amount to a sum in excess of \$2,500.00.

It was most rewarding to see the great number of participants in the Bike-a-thon again this year despite the nasty weather which forced the Lions to hold a second event last Saturday, mostly for the younger cyclists who were substantially sponsored and wanted to do their share too.

To reward some of the most outstanding participants in the Bike-a-thon, local merchants and businessmen were again more than generous with prizes and for these the Lions Breakfast Club wishes to convey sincere thanks.

The most important part of the job is yet to come,

however, and that is the collection of pledged money by the riders. Participants are reminded to collect their pledges as soon as possible if you haven't done so yet and deposit collected monies with either the Bank of Nova Scotia or the Credit Union.

Following is a list of the prizes donated by participating businessmen and the winners: Top 15 girls or boys 16 years of age or under, pizza servings, Sir Arthur Steak and Pizza Palace; 16th and 17th girl or boy, one Dairy Queen voucher; top lady rider, chocolates, Super City Drug Mart; top man rider, Famous Players theatre ticket, Westmount Theatre; 2nd and 3rd high man or lady, one chicken dinner, Purple Dude; next four high man or lady, free family bowl-

ing, St. Albert Bowling Alley; fastest rider, Hutchings Shoes voucher; fastest banker, spinning reel, McLeod's Family Shopping Centre; most dignified rider, pair of socks, Jim Byrne's Mens' Wear; top service club rider, Marshall-Wells voucher; top school body, bike-a-thon trophy, St. Albert Lions Breakfast Club and to the top school staff, one good book from the St. Albert Lions Breakfast Club.

Interesting statistics of this year's bike-a-thon: adults accounted for about \$1,800 worth of pledges while the younger set rode for \$700 in pledges. The top three schools are Rundle with \$199; Simpson with \$157 and Sturgeon Heights with \$112. However, prizes are awarded to the school with the most COLLECTED pledges.

Teddy Dykstra wins ATA 'Public Speaking Trophy'

The finals of the St. Albert public speaking contest for Grades 5 and 6 were held at Father Albert Lacombe School last Friday.

The 10 contestants from five different schools were well-prepared, giving the three judges, Mrs. S. Walsh, Mrs. J. Evans and Mr. G. Soutar some difficulty in selecting an overall winner.

The winner, after a deserving one, was Teddy Dykstra of Sir George Simpson School. For his effort he received a trophy donated

by the St. Albert Local of the Alberta Teachers' Association.

Penny Evans of Albert Lacombe was runner-up and Kelley Donalds of Vital Grandin was the Grade 5 winner.

It was felt that the contest was very successful and very worthwhile to our students.

The Sturgeon-St. Albert Association for Children with Learning Disabilities will be holding their regular monthly public meeting at

Albert Lacombe School, on Monday, May 15, at 8 p.m.

Mr. Neil McDowell, supervisor of special education and counselling in the County of Parkland, will describe his experiences in setting up classes for children with learning disabilities. There will also be a film shown on visual perception and the failure to learn.

We would like to stress that this association is not affiliated with any specific school system, but exists

ATA Sponsors Inter-School Speaking Contest

The sixth annual ATA public speaking contest was held on May 3 at Sir George Simpson Junior High School.

Each school in both St. Albert School Districts was allowed one representative per grade for grades 7-12. These school grade winners had previously been awarded medals and scrolls for their speaking accomplishments within their school.

The following is a list of the contestants with schools and topics identified.

GRADES 7 and 8

Veronica Willoughby, Simpson, Bulldogs; Murray Berg, Simpson, Superman; Kristine Iddings, Mackenzie What Babies Think; Kim Ballentine, Mackenzie, John Howard Griffin; Almee Gibeau, Father Jan, Hockey; Belinda Moore, Father Jan,

Woman's Lib. Belinda Moore was awarded the trophy at this level.

GRADES 9 and 10

David Scammell, Simpson Peer Group Pressure; Janice Moffatt, Mackenzie, Discrimination; Debbie Levey, Paul Kane, Transportation; Debbie Thachuk, St. Albert, Future; Colleen Sheehan, St. Albert, Forgiving. David Scammell won this level of competition.

GRADES 11 and 12

Cynthia Pachal, Paul Kane Numerology; Jocelyn Durocher, St. Albert, Advice; June Borie, St. Albert, Volunteers. The trophy was awarded to Cynthia Pachal.

The panel of judges were: Mrs. E. Cuts, Edmonton Public Schools, Mrs. L. Wilson Sturgeon Toastmistress Club, Mr. E. Clish, Superintendent, St. Albert PSSD #6.

About 150 persons enjoyed high-calibre speeches from these fine young speakers.

the St. Albert Protestant Separate School District #6 Mrs. Martin is also a member of the Day Care Society program and staffing committee.

In order that the program and staffing committee may more effectively plan for the projected needs of the Day Care Centre, an evening has been arranged for a public meeting at which applications for September openings in the Day Care Centre will be accepted. The meeting will be held in the Clubhouse on May 17 at 8 p.m. A film on Day Care will be presented and we also hope to have a member of the Edmonton Day Care Council on hand to expertly answer your questions.

Mrs. Martin spoke briefly on the kind of program that she would recommend for the Day Care Centre. Hopefully, a program for the pre-school child will allow for the recognition and the nurturing of the natural attributes of the individual child. It would not

be a program directed towards forcing learning upon the child. Providing materials for children to grow physically, socially and emotionally will be considered as important as those that contribute to mental development. The program and materials shall be geared towards appealing to the child's natural interest level. Learning can be fun as well as productive, and Mrs. Martin suggests an attempt be made to do all in our power to make the child's learning a pleasant experience.

Mrs. Martin also suggested that continuous dialogue with the district school systems be encouraged. There will be much valuable information that the Day Care personnel can feed to the school in relation to their experiences with the children. In a like manner there will undoubtedly be assistance that the schools can give to the Day Care Centre with respect to the preschool children.

SWIMMING POOL:

Residents are reminded that applications for season tickets are available at the Town Hall and that to ensure receipt of tickets for the opening of the pool on Saturday, May 20, completed applications must be received no later than 5 p.m. on Friday, May 12. Applications for season tickets being paid for by special arrangement through the water and sewer billing must be received before May 19.

The cost of season tickets for St. Albert residents are as follows: Family (\$36); Adult \$14.50; Student (\$13-17) \$12 and Child (12 and under) \$8.50.

The pool schedule and information about swimming lessons will be published in an advertisement in next week's Gazette. Family teen and adult as well as

public swimming sessions will be included in the schedule and the first series of lessons will start on May 29.

SCHOOL SWIMMING:

Under the terms of the Joint Use Agreement the schools have the use of the pool during school hours and a policy adopted by the school boards allows all Grade two students to have the opportunity to learn to swim.

This year a "pilot project" is taking place. Under the supervision of qualified personnel, volunteers are undertaking the swimming program involving the Grade two children from Robert Rundle School. The volunteers will be carefully selected, taking into consideration their experience and attitude - which is most

ST. ALBERT

important when dealing with small children.

On Tuesday, Murray Smith, Faculty of Physical Education, University of Alberta will conduct a clinic in Robert Rundle School from 7 - 10 p.m. for the volunteers and anyone else who is interested in learning about the best approach to teaching swimming. School personnel, instructors, parents with small children, etc. - all are invited to attend what promises to be a very interesting workshop. Murray Smith is a recognized authority on this particular subject.

TENNIS:

The lessons organized by the Tennis Club are progressing well and the wea-

RECREATION

ther is so far co-operating reasonably well.

For a few weeks the hours when the courts are free are very irregular. This is because of the use by the schools of the courts during the day, club playing-times and the tennis lessons. Apologies are again offered to those who were unable to register for classes; the demand was overwhelming.

And once again, everyone using the courts is reminded that tennis or gym shoes MUST be worn.

TENNIS CLUB:

The opening junior tournament will be held on Saturday, May 13 at 1:30 p.m. and junior members, whatever, their standard of tennis, are invited to enter.

On Sunday, May 14 a nov-

elty/senior doubles tournament will be held at the normal club time - 1:30 p.m. Partners will be drawn and changed throughout the afternoon so that players at all levels will be welcome. A social gathering will follow the tournament which will provide an excellent opportunity to get to know your fellow members.

The "ladder" is now posted on the notice board. This acts as a guide when it comes to the time for choosing players for the interclub teams. Interclub play begins on May 15 and this year there will be one "A" and two "B" teams.

Anyone wishing information about the club should phone Dave Kirk at 599-7602 CYCLING FOR LADIES: Mrs. Fleisher will be very pleased to hear from any-

one interested in joining her group of lady cyclists. Phone her at 599-4590.

Even if you don't phone, get on your bicycle and meet the group for their first outing on Wednesday, May 17 at the tennis courts on Mission Avenue.

HOCKEY:

Coaches who have not already done so are urged to bring the equipment they have collected from their teams to the banquet on Friday, May 12 in the arena.

DEFENSIVE DRIVING: If there is enough interest, it may be possible to hold another Defensive Driving course. Phone the Department of Recreation at 599-6601, if interested.

BASEBALL:

Coaches are urgently required for the boys' baseball program.

PITCH & SPICE:

This weekend the Pitch and Spice will be presenting Jesus Christ Superstar at St. Joseph's Cathedral because of popular demand. Anyone who missed the St. Albert production should be sure to make it to this one. Tickets will be available at the door only.

STUDENTS EXCHANGE:

If you see a Grade 11 student walking around with cases of chocolate almonds buy one and support the St. Albert Students Exchange. The chocolates are a dollar for half a pound. Twelve students from SAHS and twelve from PK are leaving early July and travelling by plane to Newfoundland where they will stay for about 10 days, then they will travel to Ottawa by bus and ferry.

The 24 students will then return to St. Albert. Activities planned are a banquet, barbeque, a trip to Jasper and to Klondike Days.

Their Blitz Night will be on May 12. Any Grade 10 students assisting in selling chocolates will be given priority to go on the exchange next year.

HAT DAY:

On May 2 the school had a National Hat Day to compete with the staff's National Bow Tie and Flower Day. We're afraid the staff beat us this time.

GRAD DANCE:

Tickets will be available at the door, cost is only \$4 per couple. Takes place at the Bonaventure on Friday, May 19.

TENNIS PRACTICES:

Tuesdays and Fridays from 3:30 until 4 for any high school students. Practices now are in prepara-

tion for the competition against PK on May 28.

TRACK & FIELD PRACTICES:

Mondays thru Fridays from 3:30 until 5 behind the school.

Congratulations to Mr. and Mrs. Raymond Brisson upon the arrival of the first born daughter, Lynne on April 19, weighing 6 lbs. 13 oz. The proud godparents are Mr. and Mrs. Germain Auger.

Mr. and Mrs. Gordon Carlson moved into their new home last week. They have purchased the show home built by Eastline Homes Ltd.

A hearty welcome is extended to Mr. and Mrs. Bryan Dursling from Vimy who moved into Maurice Regimbald residence. Mr. Dursling is employed as the Alberta Wheat Pool agent.

The Canadian Red Cross Society wish to thank the people of Legal and district for their generous contributions of \$329.80 covering the 1972 campaign for funds. A special thank you to the canvassers who did a wonderful job.

Those interested in taking swimming lessons in July should contact Real Champagne before May 12. Classes will be held from July 17 to 29 at 9 a.m. and O'Leary Pool. A \$10 fee will cover registration and bus fare. If there are too many for the first class we will arrange for a second class to be held July 22 - August 12 at 9 a.m. providing there are enough registrations. Registration accepted on a first come first served basis, the age limit is seven years and over.

Father Roland Dubout, a missionary in Africa, was in Legal last weekend where he showed very interesting films and slides of missionary work in Africa.

Mr. and Mrs. Robert Regimbald are receiving congratulations upon the arrival of their first born child, a son, Henri Robert, born on April 19, weighing 7 lbs. 2 oz. Chosen godparents are Louis Leavallier and Louise Regimbald.

The local Girl Guides had invited a guest speaker from the Department of Youth to speak on Drugs at their regular meeting Thursday of last week. They had also invited the Brownies and their parents to attend this most informative film and talk, that was followed by a question period and discussion. The meeting ended with coffee and kool-aid served by the girls.

The Legal Local of Guides and Brownies wish to express their gratitude to all those who purchased cookies from them last Saturday. There is some cookies left, so anyone wishing to buy some could contact Mrs. Lucille Dube.

The Girl Guides and Brownies are looking forward to their mother and daughter banquet that will be held on May 17 at the Community Hall.

The Student's Union cordially invites everyone to attend their annual May Queen dance in the school gymnasium commencing at 9 p.m. with the crowning of the queen at 9:30 p.m.

On Sunday, May 7 the local representatives on the St. Paul Diocesan Pastoral Council, Sister Aureole Blanchette, representative for the religious congregation, Mrs. Anita Maurier, parish delegate and Margot Montpelt youth delegate all travelled to St. Paul to attend the annual meeting. They had the opportunity to bid farewell to Bishop Gagnon that assisted at his last meeting before leaving for his new position as Rector at the Canadian College in Rome. They also had the privilege of making the acquaintance of the new elected Bishop for the St. Paul Diocese, Bishop Raymond Roy from St. Boniface has been nominated to replace Bishop Edouard Gagnon.

Margo Montpelt was also elected as the youth director on the executive.

MORINVILLE MEMOS

By Rose Mariel

On May 6 Mr. and Mrs. Roger Champagne, accompanied by Mr. and Mrs. Gilbert Boddez, left by camper for a three week motoring holiday trip to California.

Prior to her recent wedding, Miss Dolores Van Brabant was guest of honor at a miscellaneous bridal shower, held in the Morinville Legion Hall with some 100 guests in attendance. Hostesses were Misses Lorette and Lorraine Van Brabant and Miss Anoinette Lavole.

Miss Dolores Van Brabant was also fêted at a kitchen shower by the members of the Edmonton Square Dancers Club at the Caller's House, and 25 members present. Hostesses were Miss Saron Brown and Miss Gwen Redhead, both of Edmonton.

Some individuals must be born lucky! Wilfrid Couette won a skidoo last winter on a raffle in Edmonton. Early in the new year he won a sizeable cash prize and recently he was informed while at work that he was the winner of a new 1972 Mustang car . . . and . . . he is a bachelor . . . you lucky girls.

Several residents of town and district attended the annual "Cabane a Sucre" held in Edmonton, sponsored by the French Canadian Association of Alberta, on April

30.

Also that evening the members of the Morinville branch of the Royal Canadian Legion No. 176, hosted a social evening in the Morinville Legion for invited guests and members.

Miss Paulette Rousseau, was fêted at a miscellaneous bridal shower Sunday afternoon, in the Morinville Legion Hall, with some 120 ladies present. Hostesses were Miss Connie Craig, Miss Donna Boddez and Misses Laurel and Arlene Vranas. Miss Rousseau received a beautiful assortment of gifts, and thanked her hostesses and guest, for a few well chosen words. Seated at the head table were Miss Rousseau, and her mother, Mrs. Margaret Rousseau, Mrs. Firmin Boddez, her future mother-in-law, her three hostesses and her two grandmothers, Mrs. Laura Kieser and Mrs. Maria Rousseau.

Miss Paulette Rousseau will become the bride of Mr. Wayne Boddez, son of Mr. and Mrs. Firmin Boddez on May 26 in an evening wedding ceremony.

Some 20 school students from Georges P. Vanier school will travel to the Province de Quebec next July in a student exchange program. They will leave Morinville by plane on July

14 and return July 24, with guests from Louisville, P.Q., where they will be entertained while enroute. They plan to accompany their guests on a trip to Jasper, the Al Centre and

mal farm and a day at Klondike Days while the students are visiting from the east.

As I See It

by ROSE MARTEL

By Rose Martel

Sunday, May 14, will be celebrated as Mother's Day. It is an emotional and for many a nostalgic occasion. There are many ways to remember your mother on Mother's Day if she is still living, and a part of the ordinary world.

It is in the nursing homes where lonely individuals are left to themselves with no card, telephone call, or visit from any loved ones, that the day is long and memories of happier days pass in slow review.

Would it not be a very kind deed, and good training for the high school student, if those who could, on a voluntary basis, with the approval and co-operation of the family, would adopt a grandmother (or grandfather for that matter) and help them pass the time, in a family atmosphere, on Mother's Day?

I know an individual who had been unwilling or unable to communicate with anybody for several years. He refuses to say yes or no to medical attendants or staff members. A young high school girl, who was doing

volunteer work, came to his room one day to wheel him to the sundeck of the nursing home.

For six solid months she continued to take special interest in this elderly man because he reminded her of her own grandfather, without a single word from him, for all the many kind things she did for him, including the goodnight kiss she used to give him, saying, "Bye Bye now, see you again soon grand-dad."

One day she came in and simply said, "I came to say goodbye. I am finished school and I am leaving for Toronto where I have a job waiting for me. I want you to know that I will miss you very much, grand-dad, because I love you and I enjoyed talking to you, even if you refuse to talk to me. I know you can hear me, and you can talk, if you want to."

The old gent, tears streaming down his cheeks held her hands very tightly and said in a clear loud voice, "Please forgive me, and stay, a little longer. I have so much to tell you, I never thought I could find anyone to care for an old forgotten soul like me. Not a single member of my family ever came to see me or inquired about me, since I had a stroke five years ago. All what I wanted to do was die and not be lonely anymore."

In each community there are lonely, elderly people who are alone, and would enjoy the friendship and companionship of young people, who could bring them happy hours. If you have no special Mother's Day project, why not adopt one for Mother's Day 1972?

Everyone had a mother, some are gone, others are far away. Why not bring a little happiness to someone's mother in memory of your own.

On Sunday afternoon of April 30 a miscellaneous shower was held in Morinville for Paulette Rousseau. Over 100 ladies attended and the bride sheet received many useful and beautiful gifts. Paulette will become the bride of Wayne Boddez

on May 26.

Edna Lavalée and Rita Hebert are both presently employed at Ravens' Poultry Farm.

Vivian Rousseau, Jane Kleser and Laurel Vranas left May 5 for a two week trip to Toronto.

Sharon Saunders has completed her first year of Science at the University of Alberta and plans to work in Edmonton through her holidays. She was a member of the U of A mixed chorus which went on tour through central Alberta towards the end of April.

Six people from Cardiff joined in the Miles for Millions March last Sunday. Four completed the entire 25 miles, while the other two completed 19. Those representing Cardiff were Mrs. Doreen Mickelson with three of her children, Heather, Peter and Mairane and Ryan and Arlene Vranas.

Sharon Iseke is now employed at Sir Arthur's Pizza Palace in St. Albert.

Steve Rachell has returned to his home in Cardiff after spending the winter with his daughter in Edmonton.

Monday, May 1 the regular monthly meeting of the Ladies Auxiliary was held in the Legion Hut with 21 members present. Preparations were made for wedding supper on May 6, and the July 1st cold supper was discussed. Nan Morin made a motion that the club serve a pancake street breakfast on July 2. Also a color scheme for the Legion Hut was discussed.

May 2 brought the Rangers out to clean the hall floor. The girls were greatly appreciated.

On May 3, six ladies from Gibbons went to Blacklock Cub Camp at Fort Saskatchewan for a general clean up of the camp, followed by a full supper and sing-a-long. Forty-nine men and women attended from the district. Rain brought an end to a delightful evening.

The community hall was

Gibbons News

the location for a special meeting of the hall board, rec board members and legion members on Thursday, May 4 for preparations for July 1 and 2. There will be a supper in the Legion Hut on July 1st and a street breakfast (pancakes July 2) on the grounds. Bingo, penny pitch, ball throw, dart games and many more. With a beer

dance to be held on July 1st. So here is something for everyone to look forward to. Not to mention the ball games too!

Would everyone who was asked to bring baking for the art show on April 29 bring it on May 13. Thanks folks for your help and donations.

RURAL RECREATION

By Carl Royan

I was fortunate to be able to attend the Sturgeon School Division Festival Friday at Sturgeon Heights School, and would like to congratulate the festival committee on a most successful day.

The calibre of the presentations was high, which speaks well for the cultural program in our schools. The cultural aspects of recreation have been given more attention, and have developed well over the past few years. Such activities give our young people areas of interest which will give them

rewarding recreational activity throughout their lives.

The recreation board has several articles of a cultural nature in the planning stages, and MD residents are welcome to contact me at the office for further information.

PLAYSCHOOL LEADERSHIP COURSES
There has been a good response to the playschool leadership plan, and a course will be set up, probably in June to train leaders for this work. Anyone interested who has not yet contacted me is asked to do so in the near future. It is very likely that a playground leadership course will be held at the same time, and people who would be interested in this activity should get in touch as well.

Minor baseball and softball programs get underway this week, under the chairmanship of Don Bland for baseball and Fred Briggs for softball. When these teams are playing in your neighborhood, you would enjoy seeing them in action, so drop in at some of the games.

Simplot Ammonia

It'll help you do a whole lot better.

If you want to make your land work harder for you, produce more crop per acre and increase the profit potential of your operation, then you should be adding muscle to your soil with Simplot ammonia. Each year more and more Alberta producers are using Simplot ammonia as a source for feeding their crops nitrogen.

And the reasons for the success of Simplot ammonia as a fertilizer are quite evident; it saves your time and your labour. The easy handling qualities of Simplot ammonia cut down heavy, back-breaking la-

bour. Pumps and hoses do the work of bags and backs. And the equipment plants your ammonia fertilizer down into the soil. It goes to work for you adding muscle to your soil quickly and effectively. Best of all, your Simplot dealer can provide you the necessary equipment at no extra cost.

This year save valuable time and labour with Simplot ammonia fertilizer and add hours and increased yields to your profit potential. See your Simplot dealer. He'll help to get you growing.

You are cordially invited to an "Open House" by the family of Mr. and Mrs. Walter Chubb in honor of their parents' silver wedding anniversary on Sunday, May 14 from 2 to 5 p.m. at the family home. No gifts, please.

Mrs. Louis Neilson and Mrs. Bill Deedman are home again after spending some time in hospital.

Eighteen cubs spent a happy weekend at Camp Blacklock on May 5, 6 and 7. Sole casualty was David Milligan who was caught by a flu bug and had to return home on Saturday. Best Housekeeper's award went to Cabin 3 in charge of Pat Madden, Teddie Knowson, George Kelly, Don Strawn, Rick Komick and Corey Goulet, a guest of the cub pack for the weekend. Camp supervisors for the weekend included Maryjane Brown, Frances Ketter, Linda Knutson, Marj Kelly, Norm Shwanke, Andy Briggs, Jerry Hopkins, Eldon Samis and Al Kelly. The parents' committee wish to thank all those who helped in anyway, with a special thank you to Linda Knutson for the use of her trailer and to Norm Shwanke for his special care of the cubs on a cold Saturday night.

A reminder of the Community Club tea, bake sale and sale of plants on Saturday, May 20 at the home of Alice Strawn. Alice has a fine variety of bedding plants and prices are right.

Plans are underway for the Cuboree, which will be held this year at Bon Accord on May 28, with clubs from Gibbons, Horsehill, Fort Saskatchewan, Josephburg, Lamont and two from Ardrossan competing in sports events. The public is welcome to attend so do keep the date open.

PUBLIC NOTICE: Proposed Gas Franchise

VILLAGE OF BON ACCORD

TAKE NOTICE that the Council of the Village of Bon Accord, in the Province of Alberta, has given first reading to By-law No. 56 which will, on final approval and ratification, authorize the council to enter into an agreement with Northwestern Utilities Limited granting to it a franchise for a period of Twenty years to supply natural gas to the Village and its inhabitants.

NOTICE THEREFORE IS HEREBY GIVEN by the Council of the Village of Bon Accord that unless a poll of the proprietary electors for and against the said By-law is demanded by the terms of the Municipal Government Act the said Council may pass the said By-law.

Of which all persons interested are hereby notified and they are required to govern themselves accordingly.

NOTICE TO PROPRIETARY ELECTORS

"Proprietary elector" means an elector whose name appears on the assessment roll in respect of land liable to assessment and taxation for general municipal purposes.

Fifteen per cent (15%) of the proprietary electors may by petition request a vote on a By-law under the provisions of Sections 311 and 7 of the Municipal Government Act.

1. The petition must be received by the municipal secretary within fifteen days of the last publication of this notice and shall contain on each page an accurate and identical statement of the purposes and objectives of the petition.

2. Each signature to the petition shall be witnessed by an adult person who shall take an affidavit that to the best of his belief the persons whose signatures he has witnessed are qualified to vote at a general election.

3. There shall be set out opposite each signature on the petition:

- the legal description of the property or other qualifications entitling that person to be a proprietary elector,
- the address of the petitioner,
- the occupation of the petitioner.

4. A corporation or a religious organization, the name of which appears on the last revised assessment roll as the owner, conditional owner or purchaser of land that is not exempt from taxation, may in writing authorize a resident representative to sign a petition on behalf of the corporation or religious organization.

5. The petition shall be filed with the municipal secretary who shall, in accordance with the Act, compute the number of petitioners that have signed the petition and determine the sufficiency thereof.

6. Every petition shall have attached to it a signed statement of a person whose name appears upon the petition, stating that he represents the petitioners and that he is the person to whom the municipality may direct any enquiries with regard to the petition.

7. No name shall be removed from the petition after it has been received by the municipal secretary.

8. If two or more by-laws are advertised in a single notice, a separate petition shall be filed with respect to each by-law.

9. The date of the last publication of this Notice is May 10, 1972.

NCTE: If on receipt of a valid and sufficient petition the Council decides not to proceed with the by-law, a vote of the proprietary electors need not be held.

You can dance all night Frontier Daze

Whether you're 14 or 94, you won't want to miss Saturday night in Morinville on Frontier Daze weekend. No celebration would be complete without dancing for all and two big dances are on for that Saturday night, June 17, 1972.

The generation gap being what it is with regard to tastes in music, two locations with two different style dance bands were decided on. In the Place Pigalle the adults will be whooping it up with polkas, fox-trots and old-time waltzes in real Frontier Daze style. At another location a teen dance will give the young people a chance to let loose to the

kind of music the pioneers never imagined!

The Frontier Daze committee are looking for more talent for the bandshell program which will entertain the crowds both days. Dancers, singers, acrobats, musicians, magicians, jugglers, ventriloquists. Whatever your talent, here is a golden opportunity to display it. Just phone Madeline Gibeau and make arrangements for your act. Visiting performers are more than welcome.

Lavoie - Van Brabant Wedding

MR. & MRS. RAYMOND LAVOIE

By Rose Martel
Dolores Van Brabant, daughter of Mr. and Mrs. Albert Van Brabant of Morinville and Raymond Lavoie son of Mr. and Mrs. Jacques Lavoie of Edmonton, were united in marriage in a

lovely afternoon wedding in St. John the Baptist R.C. church in Morinville. Rev. Father George Primeau performed the double-ring ceremony on April 29.

Entering the church on the arm of her father, the radiant bride wore a model gown of white lace over taffeta, featuring a Neru collar trimmed with tear-drop pearls, long sleeves, a natural waistline and A-line skirt. Her cathedral length net veil was lace edged with an Elizabethan crown as a headpiece. She carried a cascade of red roses and white satin streamers.

The eldest of her twin sisters, Lorette Van Brabant, was the bridesmaid. Other attendants were the other twin sister, Lorraine and Antoinette Lavoie, sister of the groom. All three wore identical long gowns of sheer nylon over taffeta

in blue, rose and mauve respectively, with white accessories and each carried a united bouquet of roses and carnations to match the color of her gown. Tiaras of natural flowers, matching the bouquets, were worn as hair ornaments.

Best man was Leo Ethier of Morinville, cousin of the groom, and the groom attendants were Dave Cooper and Marcel Lefebvre of Edmonton. Alter boys were brothers of the bride, Philip and Darrell Van Brabant.

Mr. Norman Chaffoux was organist and Mr. George Lavallee was soloist. For her daughter's wedding Mrs. Van Brabant chose a coral turtleneck ensemble with white accessories and white roses en corsage. Mrs. Jacques Lavoie, received her guests in a purple crepe and lace ensemble, with white accessories and pink roses en corsage.

A reception and wedding banquet for 150 guests followed in the recreation centre, with Mr. Louis Velinde of Edmonton as master of ceremonies, Mr. John Couture of Edmonton, toasted the bride.

About 500 guests attended a wedding dance after the reception. For her wedding trip to the west coast, the bride changed into a red white and blue hot pants ensemble, complimented by a white corsage. Mr. and Mrs. Raymond Lavoie will reside in Edmonton.

Among those present was Mrs. Valentine Lutz of Edmonton, grandmother of the bride. Other out of town guests were from St. Paul, Picardville, Edmonton, Lethbridge and St. Albert.

Camilla 4H holds Achievement Day

By Mary Brown
On May 5 the Camilla Clothing Club held their Achievement Day with Connie Iske as chairman. The program for the evening consisted of several skits put on by the girls, and a fashion show with the girls modelling their years work. This was very much enjoyed by the audience.

Unit one girls sang the 4H grace which was followed by a delicious lunch of strawberry shortcake and coffee. Mrs. Robertson, judge for the club, very kindly stayed for the evening and gave the girls some very helpful remarks on their sewing.

Efficiency winner, for the third consecutive year, was Joan Sheehan, Runner-up

and winner of the T. Eaton award was Myra Brennells. The project book award in the senior division again for the third time was Joan Sheehan. The winner in the junior division was Kathy Biddiscombe. All girls with perfect attendances were given a pen and pencil set, and all first year and unit one received a 4H pin. Patty Witschen, Susan Kinsella

and Gail Doveiln received a prize in appreciation of their work in the club.

The club members presented their leader and assistant leader with a token of appreciation for their hard work with the girls. A very enjoyable evening was had by all. The girls would like to thank everyone for helping to make it such a success.

GRANDIN SHOPPERS' PARK

ST. ALBERT

Grandin Shoppers Park Businessmen Getting Set For Pancake Breakfast

Back in 1962 when Grandin Shoppers Park first came into being, the first few businessmen who occupied The Park formed an association which, through the years has served its members very well, as well as the community at large. Despite the small number of merchants who made up the shopping park, common problems had to be discussed and guidelines established if harmony was

to reign over the fledgling shopping community. It was at this juncture that the Grandin Shoppers Park Businessmen's Association came into being.

First to be elected president of the new association was Vern Tompkins, owner of Marshall-Wells Tompkins Hardware Ltd. As the years rolled by, Park problems were resolved and a constitution was established. Questions dealt with

were strictly internal in nature, such as sign criteria, Christmas decoration regulations, business hours and so on.

After 10 years, the Grandin Shoppers Park Businessmen's Association has seen many members of the executive serve over more terms of office. However, today with the modern business community considerably enlarged, the executive is made up of a president,

Peter Zuidema and five directors, who are: Harry Huchings, Gerry Belke, Mrs. Smith, Jack Pickett and Charles Van Eickland who also is the secretary-treasurer.

Over the years, the Grandin Shoppers Park Businessmen's Association

has been active in promoting the services offered within the shopping complex. Toward this end, they have annually sponsored a gala pancake breakfast on the

Saturday during the annual Kinsmen Rodeo. This event has always been a favorite event during Rodeo Week and Peter Zuidema says that his organization is already getting ready for this year's wild-western extravaganza.

Tomkins Hardware reviews past years

Ten years ago, on February 14, Vern Tompkins owner of Marshall-Wells Store located on The Mall in Grandin Shoppers Park had very little company besides his first customers, because he was the very first businessman to open his doors. Today, Vern can look back on 10 very exciting and productive years.

Occupying 1,500 square feet of floor space, Vern's first Marshall-Wells Store was sparsely stocked and he was the entire staff. Today, Tompkins Hardware Ltd. has increased its floor area by 500 square feet and the stock literally hangs from the ceiling. At Vern's, you can buy anything directly or indirectly connected with hardware.

His staff has grown too. Now he employs Inge Droegge, Shirley Leask, Bill Wysschyn and his son Brian

Tompkins.

When asked if he planned to enlarge his premises, Vern was very firm when

he said, "we can serve our customers very well as we are and we don't plan to make any changes."

Program shapes up for Frontier Daze

Come to Morinville the weekend of June 17 and 18. The Welcome mat is out for crowds of visitors expected in Morinville this weekend. Get up early and take in the Free Street Breakfast, Saturday morning before the big parade. A celebrity will lead it off from the form-up area at the M.D. office, and many marching bands with many colorful floats and comedy entries, are sure to spread Frontier Fever.

For baseball action and

midway fun it's on to the grounds. Booths will be filled with hamburgers, hot dogs, chips, corn on the cob, popcorn, ice cream, pop and many other goodies. In fact food is a big attraction for folks at Frontier Daze. International foods from many lands are provided. Everybody can find their favorite meal.

Then it's time to get ready for the big night of dancing—choose between the teen dance or the adults ball, highlighted by other spec-

tacular events. Either way you're in for a night of lively fun on the dance floor.

Special Roman Catholic and United Church services will be held Sunday morning. Grounds open at noon and baseball finals, bandshell entertainment are provided. There's lots of things to see and do.

Frontier Daze celebrations will close in a blaze of fireworks at 10 p.m. Sunday evening.

Jim Byrne Operates Exclusive Men's Shop

The name 'Jim Byrne' in St. Albert and especially within Grandin Shoppers' Park has become synonymous with 'quality men's wear'. Jim is an oddtimer in the Park, having been one of the first to open a business in Grandin back in 1962. That was the year Grandin Shoppers' Park first opened with less than half a dozen businesses making up the centre.

Jim was born in Dublin, Ireland and came to Canada during World War 2 as a member of the Royal Air Force to participate in the Commonwealth Air Training Plan. Upon graduation, Jim served in Africa and Europe and was demobilized in Calgary in 1946.

His first men's wear store was opened in Hanna, Alberta in 1947. One year later he decided to move to Edmonton. He sold his store in Hanna and worked for independent men's clothing shops in the city until 1962 when Jim saw the wonderful opportunities in Grandin Shoppers' Park here in St. Albert. Since then, he's never looked back.

During the first years in business in St. Albert, he operated a store which served a wider range of patrons because his stock in-

cluded work, casual and dress clothes for men and boys. A few months ago, when his new quarters in the Mall were ready for occupancy he reduced his range of stock to what is now an exclusive men's shop featuring top-of-the-line garments designed for the well-dressed man.

Jim is very pleased with his decision to go exclusive, because St. Albert needed just such a place. He says, "I really don't have a motto, but I have an ultimate aim and it's to offer quality clothing for the style-conscious shopper." He con-

cludes by saying, "and that's what my store is all about."

Helping Jim in the store are Jessie Clendening, Bert Kennedy and Garth Peterson.

During his leisure hours, Jim enjoys football (he's been an Eskimo season ticket holder since 1940), he's an active member of the Royal Canadian Legion, (a past secretary), a past-president of the Chamber of Commerce and claims to be an ex-member of the Lions and Kinsmen.

When asked about his future plans, Jim said, "I'm looking forward to the next 10 years."

Candlelight Shoppe Also Offers Invitations

let.

Mr. and Mrs. Ralph Vandenberg and their two sons have made their home at 19 Granite Avenue here in St. Albert since 1960. During these many years, Mrs. Vandenberg often had to make a special trip to the city to buy greeting cards, table napkins for a birthday or gift-wrap for a special occasion. "That's when I got the idea to open a specialty shop where these items would be available," said Mrs. Vandenberg.

Besides the latest stock of Coutts-Hallmark cards and accessories, Candlelight will feature a wedding invitations department, complete with table napkins, souvenir matches and soon. Another unique department featured in Mrs. Vandenberg's shop will be an extensive array of candles for every occasion.

The modern specialty shop occupies 1,200 square feet of floor space in the new covered mall. The furniture and display equipment

will be of the latest in design and the staff will consist of Ralph Jr., 15, and Dick 17, both of whom attend high school and will be lending 'mother' a helping hand on a part-time basis.

Hutchings Shoes Mark Fifth Anniversary

As you amble down along the new Grandin Shoppers Park Mall and turn the corner at the TD Bank, you'll hear a cheery, "Hello," and see a friendly wave of the hand coming from Harry Hutchings' shoe store. Whether Harry knows you or not, he always has a friendly greeting and a smile for everybody.

This jovial shopkeeper in Grandin opened his first shoe store here in 1967 after working for national shoe firms for 19 years. For the last five years, Harry and his wife have built a thriving business which outgrew the 1,200 square foot quarters they occupied on the north side of the Park until the Mall opened in March. Their new premises cover 1,700 square feet. Incidentally, the Hutchings opened their first store March 13, 1967 and almost five years to the day,

opened their new store in the Mall on March 22, 1972. It was something to celebrate.

While Harry takes care of the general management of things and his wife does the accounting, Hutchings Shoes employs a highly qualified staff of sales clerks. Senior in experience is Mrs. Frieda Pedersen, next comes Mrs. Lorraine Jones followed by daughter Karen who helps while completing her high school.

Born in Sunnyside, Trinity Bay, Newfoundland, Harry's favorite pastime is of course "fishing." The Hutchings family visit relatives in Newfoundland about every three years. When not travelling, Harry spends as much time as he can as a member of the Curling Club, Lions Breakfast Club, Chamber of Commerce, Fish and Game Association and is also an ardent golfer.

Kaleidoscope plans future expansion

Ben and Doris Radonski took over the Kaleidoscope Shop in Grandin Shoppers Park in September of last year. Mr. Radonski has been in the retail business all his life in the Edmonton area, with most of his experience in the ladies wear field.

Their oldest daughter, Carol, also works in the shop, which is a variety store, handling notions, fabrics, toys and similar lines in addition to certain lines of womens apparel.

"We are happy with the progress of the shop, and particularly with the clientele, and it has been a pleasure to get to know the local people who have become regular customers at Kaleidoscope," said Mr. Radonski.

Plans are to expand the ladies wear section, and eventually to change over to a fashion shop carrying a complete line of ladies wear.

The Radonskis feel there is a great future ahead for the Grandin Mall, and that St. Albert residents can look forward soon to the time when practically all their

Cable TV hearing delay

It will not be possible for the application of Sturgeon Valley Vision to supply cable television to St. Albert, to be heard before the beginning of October. Mr. Barnaschone of SVV reported Monday that the firm had received a letter from the Canadian Radio Television Commission, advising that the hearing will be in

the West, and that October is the earliest possible date.

According to the letter the CRTCC is processing a backlog of applications going back about two or three years. "We are disappointed that work can't be started in the current construction season," said Mr. Barnaschone, "but the situation is out of our control."

Coffee Corner becomes centre for mall breaks

One of the most popular spots within Grandin Shoppers Park is Agnes Duggan's Coffee Corner. That's where you'll meet for coffee breaks, for a light lunch or just to relish last night's meeting or other.

Agnes Duggan, a cordial ex-resident of Canada's first province on the left (B.C.), came to St. Albert in 1970 and opened her intimate Coffee Corner. Right from the start, it was a success. Her friendly 'hello'

encouraged her customers to have a second cup of coffee and her kibitzing was a sure sign that they'd come back. In this atmosphere Agnes has built a clientele that's difficult to match.

Employees at the Coffee Corner include Laura Wright who comes in part time and Ingrid Schultz, a former member of the staff who has been away for about one year will be returning soon.

shopping needs will be provided by local merchants and businessmen.

Ben and Doris have a family of seven and are hopeful that they will be

able to move to St. Albert eventually. Their children are Carol, age 16, Larry, 15, Jean, 13, Brian, 11, Sandra 8 and four year old twins, Donnie and Donna.

Reputable City Radio-TV Firm Opens Branch Outlet In Grandin

Gateway Radio and Television is a new business in Grandin Shoppers Park Mall but not at all a new business in Edmonton. This firm dates way back to 1939 when it was first opened in humble premises in the Beverly area by the late Nick Kar-

pets.

The present owner and operator of Gateway Radio and Television, David Mostarac worked for the late Mr. Karpets for many years. When the owner died in 1955, David continued to work for Gateway until he purchased

the business from the Karpets estate in 1961. Two years later he incorporated the firm.

Through hard work, long hours coupled with his excellent qualifications as an electronic technician, David built Gateway into such a thriving enterprise that in 1967, he moved into the new Centennial Mall, occupying larger and more modern quarters. He was one of the first to move into the Centennial Mall and has watched that shopping complex grow into the giant it is today.

During the past several years, Gateway Radio and Television Ltd., while located in the Centennial Mall, has enjoyed an ever growing volume of business, not only from Edmonton but from St. Albert and surrounding districts. In view of the great demand from residents of St. Albert, David Mostarac has decided to extend his business into Grandin Shoppers Park, to be thus better able to serve his customers in this area.

To manage his new store in St. Albert, David has appointed his brother George Mostarac as manager and is presently selecting a team of electronic technicians to round out the staff.

The new premises, located in Grandin Shoppers Park Mall will occupy 1,700 square feet of floor space. Contained in this area will be a modern display and sales area, offices and a radio and television repair centre. The Mostarac brothers are proud of the fact that the success of the business was not only because they sell top-of-the-line merchandise... but because they offer a complete follow-up service program. As David put it, "we sell the

best and when our customers need us, we're there to serve them. That's how I built Gateway to what it is today," he explained.

The Mostarac brothers were born in Belgrade, Yugoslavia where David obtained his electronic technician's diploma. He then obtained an advanced diploma from the electronic technical school in Italy and later received his journeyman's papers in Canada. Equipped with these qualifications plus 18 years of experience

Mothers Dry Gifts

Remember to call Friday or Saturday to see the display of native crafts on Grandin Mall across from Safeway. The carvings, leather and bead work done by native people of the area make charming and unusual gifts - something different for mother.

In the trade, Gateway comes to St. Albert prepared to serve the community.

Cleaning Firm Doubles Volume in Four Years

Ever since 1969 when Norm Petty and his wife Eileen opened Grandin Park Cleaners, business has been growing at such a pace that today Norm puts it this way, "we've doubled our equipment inventory, more than tripled our staff and simultaneously doubled our volume of business."

Mr. Petty wasn't exactly a newcomer to the cleaning business when he opened Grandin Park Cleaners four years ago. In fact, he started in the cleaning business way back in 1939 and his wife Eileen got her start in the business back in 1943. Today, to round out the family business aspect of things, the Pettys have a 20-year son Tony who grew up in the business and holds the

title of secretary-treasurer now that the firm is incorporated.

This very successful family business attributes its success to the criteria adopted by Norm and Eileen years ago, quality workmanship, personalized service and modern equipment. Norm says, "with that combination, plus a lot of hard work, we could hardly fail."

Grandin Park Cleaners Ltd. are members of the National Institute of Dry-cleaners and through their excellence in workmanship and service they've received certificates of merit.

The Petty family really mean it when they quote their motto which spells it out thusly, "Your drycleaning problems are ours."

Denture Clinic joins firms in mall

A new arrival to Grandin Shoppers Park is William Scholler, a certified dental mechanic who opened the door of St. Albert Denture Clinic Monday morning. He occupies 600 square feet of floor space in The Mall and his attractive premises are certainly a worthy addition to the growing shopping complex.

Born in Holland, Mr. Scholler learned his profession there before coming to Canada in 1959. Upon arriving in this country Mr. Scholler studied for two years under Dr. Sperry D. Fraser, professor of dentistry before receiving his Alberta certificate.

Upon graduating, Mr. Scholler operated a clinic in Wetaskiwin for about two years before opening up in Camrose, an establishment he is still operating in conjunction with his clinic here on The Mall.

For the time being Mrs. Scholler is living in the family home in Camrose with their three children, Beth who is an 18 year old nursing student, Ronald, 13 and Brenda 7 who are attending school.

Telex Hookup Links Florist With Worldwide network

Mrs. Audrey Penny, founder, owner and operator of Grandin Flowers Ltd. doesn't talk much... probably because she firmly believes in the promotional motto, "say it with flowers."

When this writer called on her for this promotional story, Mrs. Penny was very preoccupied with her work and honestly didn't have much to say about her bus-

inishment for days. Grandin iness, excepting that, "everything's going great."

Upon digging a bit deeper into her beautiful little flower shop, a lot of things were discovered. For example, Mrs. Penny is a Selected Member of Florists' Trans-World Delivery. Which means you have to pay a small fortune to join... only after the organization has screened you and your estab-

lishment is also a member of United Flowers Canada, which is quite a select association to belong to. Coupled with all this is the installation of Telex which has linked her shop with the worldwide service to all florists.

With Mother's Day coming up next Sunday, Mrs. Penny has been deluged with Telex orders from all over the world. Just to cite a few, she showed us orders for flowers from relatives of citizens of St. Albert who live in Rumania, Finland, Sweden, Malta, the U.K. and many other countries of the world.

Grandin Flowers Ltd. started here in Grandin Shoppers Park in February of 1968 after Mrs. Penny had acquired 14 years' experience in Lethbridge and Edmonton, from apprenticing in greenhouses to making floral arrangements. She came well qualified to handle her venture here in St. Al-

bert and give her customers that special personal touch which is so essential in the retailing of flowers. Mrs. Penny does all her own ar-

anging and imports her entire stock from various suppliers across Canada and various points in the United States.

Craftsmen Abound In Jewellery Shop

Two years ago Adam and Joe Hauptman purchased what was formerly Lefebvre Jewellers, a reputable firm whose founder decided to retire. Today, this enterprising business now employs, besides the two owners, Mrs. Pat Hauptman as manageress and Helen Phillips as a sales clerk.

Mr. Lefebvre, former owner and enjoying semi-retirement takes care of all

patch repairs. Other members of the staff who come well qualified as craftsmen are Pat and Adam Hauptman who cut semi-precious gems as well as fashion silver jewellery for their customers.

Besides doing custom work, Sweetheart Jewellery and Gift Shop carries quite a complete stock of costume and quality jewellery as well as a fine selection of gifts

for any occasion. Included in their plans towards expansion is a quality crystal department, ear-piercing service with a pierced earring bar.

Manageress of Sweetheart Jewellery and Gift Shop, Mrs. Pat Hauptman says, "our business is constantly growing and we can attribute this fact to the personalized service we offer our customers."

Sterling Fabrics Ltd. opens on the mall

Sterling Fabrics Ltd. located on The Mall at Grandin Shoppers Park opened its doors March 18th last. Owners of the young firm are Earl and Beverly Smith and manageress is Mrs. Anne Fouts, who also happens to be Mrs. Smith's mother.

Mrs. Fouts brings with her 25 years of experience in the fabrics business, having worked all those years for a reputable city firm.

FOR GREAT VALUES - SHOP IN THE NEW MALL THURS., FRI., AND SAT.

The attractive store on The Mall stocks a complete line of fabrics for every need plus patterns, notions and accessories.

Beverly Smith and Anne Fouts are more than anxious to assist their customers with sewing problems, advice on styles, fabrics or whatever problem may confront the seamstress.

AVCO Moves Into Mall

In all of Alberta there are 32 Avco Finance offices and one of those is the first finance company to open in

St. Albert. Located in #6 Grandin Shoppers Park Mall, Avco manager Don Rempel feels this branch is really going to thrive. What he uses as a guideline is the exceptionally quick response his firm received from residents of the St. Albert area. "We only opened in November of last year," said Mr. Rempel, "and we've already exceeded all expectations in volume of business."

Avco first occupied smaller quarters on the North side of Grandin Shoppers Park and on Monday moved into their new location in the Mall which covers a total floor area of 1,500 square feet.

Avco Financial Services here in St. Albert, besides its manager Don Rempel, employs Bob Reid, assistant manager and one receptionist, Rachelle Chartrand, a local girl who is equally fluent in French and in English.

Stretch Couture Centre Features Sewing Classes

Eleanor and Jack Baxandall of 8 Swallow Crescent have launched their new business venture Monday morning, with not only a large number of walk-in customers, but also with three classes of students already booked and ready to go ahead with their 12-hour course. For the homemaker of the area, St. Albert Stretch Couture, located at 19 Grandin Shoppers Park, appears to be just what they were waiting for.

Eleanor Baxandall is a scholarship graduate in clothing and design from Salt, (Southern Alberta Institute of Technology). She has further training as a teacher in the Bishop Method of clothing construction including four years' experience in stretch sewing and teacher training. In addition to her classroom work, Mrs. Baxandall comes well qualified in the use of stretch fabrics in relation to line, design and color co-ordination to suit the individual.

Stretch Couture is an independent firm and rather a unique one, in that it incorporates Mrs. Baxandall's years of experience in the one enterprise. She selects the best fabrics and the best patterns and her classroom sessions project the best instructions, all in an effort to give her students the best for their money.

"I'm able to do this," said Mrs. Baxandall, "because over the years, I've been able to select all the super-points along the way and come up with what I believe to be a highly streamlined service."

Another feature of St. Albert Stretch Couture will be a free demonstration period every Saturday morning, at which time customers will be able to discuss problems with Mrs. Baxandall, included in the free service will be the availability of patterns, of an assortment of sizes, designed to help customers judge the amount of material required to make a certain garment.

This new business for St.

Albert wasn't dreamed up over-night. In fact, Mr. and Mrs. Baxandall have been planning this business for over five years, when stretch fabrics were first introduced in Canada. Both Baxandalls have made extensive studies of similar outlets where knit goods are retailed and sewing lessons offered. They feel they have grasped every opportunity available to learn the trade thoroughly and thus come up with quite a unique packaged business for this town.

Grandin Bakery moves

Peter Zuidema, owner and operator of Grandin Bakery is one of the Park's "pioneers" and while marking his 10th anniversary, he is also celebrating a move into larger quarters.

Back in 1962, when the Shoppers Park was very young, Peter opened his bakery after spending a few years in Calgary working for the now defunct Dominion Stores. Prior to that, Peter came from his native Holland where he started in the bakery business and served his apprenticeship. His first business venture was here in the Park where his enterprise flourished into a major concern employing a staff of five besides himself.

On the staff working with Mr. Zuidema are: Kathy Dunca, Betty Bremner, Marie Perras, Marie Ell and Rose Craig.

At the moment, Peter and his staff are busy getting the new quarters ready for operation and it was quite a complicated move.

Now that Grandin Bakery is settled into its new quarters and things are all set to go, patrons will be impressed with the shiny-new decor and eye-appealing sales area fronting Peter's new premises.

ings and the such.

St. Albert Stretch Couture is another facility in this growing town which comes as a "first" in several ways. It's a young firm, with young ideas where

every member of the family can select stretch material from a favorite bolt of fabric, learn to sew a garment with ease while having fun... all the while, saving money.

Hair Stylists Establish Reputable Park Business

At Number 11 Grandin Shoppers Park is where an extensive clientele over the past years have trusted barbers and hair dressers with the care of their hair. Fred Zottl, his partner Marcel Chartrand have been largely responsible for keeping the male population of St. Albert looking neat. Coupled with the barber shop is a modern beauty shop under the management of Monica Miklita whose responsibility is caring for 'milladay's coiffure.'

In looking over the past 10 years, one can't help but say that this hair care centre has been doing a good job.

Fred Zottl and a partner founded the shop in 1962. In 1967, Marcel Chartrand purchased a half interest in the business and thus became an equal partner with Mr. Zottl. Today, Grandin

Park Beauty Salon and Barber Shop has four chairs for their male patrons. Besides Fred and Marcel, two other hair stylists are employed, Louis LaFrance and Bernie Veless.

On the beauty parlor side of the business Monica Miklita, who is a graduate from a hair stylist school in West Berlin, was employed by a prominent city firm before coming to St. Albert in 1967 where she has remained ever since. Assisting Monica on the women's side are Sherry Evans, Sylvia Kral, Ingrid Markwort and Gisela Kotcha.

Grandin Park Beauty Salon and Barber Shop offers a complete hair stylist service for every member of the family including top quality wigs' sales, care and style.
